

# 25 Ways to Get Involved:

EERI Activities with opportunities for members

## CONCRETE COALITION

[concretecoalition.org](http://concretecoalition.org)

**#1.** Contribute to the database of concrete structures damaged during earthquakes around the world.

Conduct or expand an inventory of concrete buildings in your city.

# #2

**#3.** Begin a regional initiative to inventory, mitigate and increase awareness about vulnerable concrete buildings in your region.

**#4.** Help develop a fact sheet and other tools for engaging with policy makers and the media.

## LEARNING FROM EARTHQUAKES

[www.eeri.org/lfe](http://www.eeri.org/lfe)

**#5.** Conduct local post-event reconnaissance or pre-event data gathering for critical infrastructure.

**#6.** Test and further develop data gathering and visualization tools for reconnaissance.

Read *The Pulse*, EERI's online newsletter.

# #10

Participate in exercises & regional scenarios.

# #7

**#8.** Conduct remote reconnaissance through virtual clearinghouse contributions.

**#9.** Reply to calls for team participation after future earthquakes.

## EDUCATIONAL PROGRAMS

**#11.** Watch an EERI webinar.

**#12.** Attend a Technical Seminar.

**#13.** Travel to the Annual Meeting.

## EARTHQUAKE CLEARINGHOUSES

[www.californiaeqclearinghouse.org](http://www.californiaeqclearinghouse.org)  
[www.eqclearinghouse.org](http://www.eqclearinghouse.org)

**#14.** Organize a local training activity for your regional chapter, student chapter, or others to practice EERI mobile reconnaissance tools.

## WORLD HOUSING ENCYCLOPEDIA & CONFINED MASONRY NETWORK

[www.world-housing.net](http://www.world-housing.net)  
[www.confinedmasonry.org](http://www.confinedmasonry.org)

**#15.** Contribute a new housing report for your country.

**#16.** Join social network on LinkedIn.

## REGIONAL & STUDENT CHAPTERS

**#21.** Join your closest chapter.

Offer to meet with or advise a student chapter.

# #22

## MITIGATION CENTER

[mitigation.eeri.org](http://mitigation.eeri.org)

**#23.** Add resources and explore past approaches to mitigation.

## SCHOOL SEISMIC SAFETY INITIATIVE

**#24.** Contact EERI Staff to find out how you can help!

Join an advisory or project committee for one of EERI's many activities!

# #25

## Ready to Volunteer?

Contact EERI staff so they can connect you with the project committees and leaders that can integrate you into these EERI projects!

[eeri@eeri.org](mailto:eeri@eeri.org)

Share information about the use of confined masonry in your country.

# #17

**#18.** Work with international colleagues to develop a new housing report from their country.

**#19.** Collaborate on a new tutorial.

**#20.** Assist with web development, report review, or database curation.
