

# EERI SCHOOL SEISMIC SAFETY INITIATIVE

---

Webinar #4

# Retreat in Alaska

**Monday, July 21, 2014**

*9:00 am – 4:00 pm*

**Hilton Hotel**, Anchorage, Alaska

Alaska Room (within Alaska Ballroom), 2<sup>nd</sup> Floor

## Retreat Goals:

1. Develop and identify priorities and action steps to be taken by EERI members who are school seismic safety advocates at the local, state, regional, and national levels.
2. Generate a strategic plan of action for EERI vis-à-vis school seismic safety to be implemented over a multi-year timeframe utilizing best practices shared in pre-retreat activities and on the Google Drive.
3. To identify specific roles and responsibilities of retreat participants and EERI staff members going forward.

# Before the Retreat

1. If you missed any of the pre-retreat webinars, please watch any that you missed at the links below:
  - Webinar #1: <https://vimeo.com/96924281>
  - Webinar #2: <https://vimeo.com/98155088>
  - Webinar #3: <https://vimeo.com/99391735>
2. Read Summary of "Diffusion of Innovations" by Everett M. Rogers, sent by email and in Google Drive folder
3. Peruse the best practice files and documents in the Google Drive

# EERI School Seismic Safety Initiative

## Webinar #4 Agenda:

1. San Francisco Private Schools Program (Patrick Otellini)
2. Integrating earthquake engineering into high schools with Project Lead the Way (Lelli Van Den Einde)
3. City of Piedmont School Retrofit Program (Janiele Maffei)
